## INSTALLATION SCHEDULE

Monday, February 26: 8:00am- 5:00pm

Tuesday, February 27: 8:00am- 5:00pm

- The installation schedule for booth exhibitors in the show can be found on the Booth Move In Schedule Page.
- Wednesday February 28 from 8am-9am is Hand carry move-in only. Loading docks and doors are not available on February 28 .
- Exhibit materials directed to the warehouse will be delivered to your booth and ready for you to begin setting up no earlier than 8AM on February 26.
- All Exhibits must be carpeted regardless of size or location.
- Exhibitors can bring their own carpet, however labor to install/remove carpet must be performed by VISTA Convention Services.
- Carpet may be ordered through VISTA Convention Services which includes labor to install/remove carpet. Vista Installation Rules – Exhibitors in a space up to 400 net square feet can install/dismantle their display without requiring the assistance from union labor as long as the work can be accomplished by full-time employees. This includes but not limited to carpet installation.
- Booth Exhibitors can check in directly with Show Staff on the loading docks located behind the Convention Center.
- Enter the Center via Bacharach Blvd. at the Ohio Ave entrance (Northwest side of the building).
- All exhibits must be set and operational by 10:00 am on Wednesday, February 28.
